DEPOT IS BURNED.

Fire at South Boston Probably

the Work of Incendiary.

80UTH BOSTON, VA., July 18.—The
Norfolk and Western depot at this place
was almost totally destroyed by fire Sunday morning at four o'clock. The fire
company responded promptly and succeeded in getting the flames under control only after hours of heroic work.
Upon investigation it was found that the
safe in the office had been tampered with
but no money was secured, as the agent
had removed same the night previous.
The fire was no doubt the work of an
incendiary, and two negroes have been
arrested on suspicion.

(Ey Associated Fyess.)

ROME. July 18.—From the highest source it is learned that the Vatican's view of the situation between the Holy See and France is as follows:

The Pope regards the dissolution of the concordat by France as absolutely certain. The protext is that the Holy See, before the visit of President Loubet to Rome, called on Bishop Casy, of Laval, to resign. Herefused and was summoned to Rome to answer the gravest charges. The bishop appealed to the French government, which claimed that the Holy See was infringing the concordat, but as the bishop had not been punished. Foreign Minister Deicasse acknowledged that the Valican was within its rights, However, while the concordat itself does not show that the Vatican was mixin its rights, Premier Combos differs with its rights, Premier Combos differs with its rolleagues and bases his contention on inditute an enlargement or explanation of the concordat, made by the French Kreminent, and which were the protein of the Concordat in the Concorda
